

Mission Statement

Mission

Thank You Nurses, Ltd. is guided by a tradition of personal, clinical, and technological excellence. We are dedicated to providing the highest quality home-based patient care with compassion and respect for each person.

Values

Thank You Nurses, Ltd. recognizes these values and their role in fulfilling our mission:

Committed to Our Patients

We strive to extend the highest level of courtesy and service to patients, family/caregivers, visitors, and each other.

Committed to Leadership

We deliver state-of-the-art home health services with identified centers of excellence. We engage in a wide range of continuing education, clinical education, and other programs for professionals and the public.

Committed to Excellence

We strive to create an environment of teamwork and participation, where, through continuous performance improvement and open communication, health care professionals pursue excellence and take pride in their work, the organization, and their personal development. We believe that the quality of our human resources-organization personnel, physicians, and volunteers-is the key to our continued success. We provide physicians an environment that fosters high quality diagnosis and treatment. We maintain financial viability through a cost-effective operation to meet our long-term commitment to the community.

Patient services are provided without regard to race, religion, age, gender, sexual orientation, disability (mental or physical), communicable disease, or place of national origin.
